

## **JAPN2088 Japanese language II (Part 1)**

First semester 2019-20

In addition to the 4-hour class that you can register online, you are required to attend a 2-hour skill class every week. Please select one from the following seven subgroups and sign up in the Portal on the SIS. Please note that once your registration for the grammar class online is approved, you may follow the path below to sign up the subgroup in the Portal from 9:00 a.m. September 2 to 6:00 p.m. September 13, 2019. Places will be filled on a first-come-first-served basis.

**Login in Portal → click 'My eLearning' → Tutorial Sign-up → Click the 'Register' hyperlink and access to choose tutorial groups.**

If you, for any reason, wish to change the subgroup you are already enrolled, you may do so, by first dropping the group originally enrolled and then register for the other group during the period stated above.

★Those students who are required to take the placement test, please follow the path above to sign up the skill class online when your registration for the course is approved.

★You are required to attend the 2-hour skill class from the **first week** of the semester (i.e. **from September 2**), even if your registration for a certain subgroup is not yet successful.

★**At the end of the add/drop period(4p.m. 16th September 2019)**, if you are still unable to register for the only subgroup that is possible for you to attend due to time clash, you may request assistance by emailing a screenshot of your SIS timetable to the School office ([smlc@hku.hk](mailto:smlc@hku.hk)) with your full English name, University number and the subgroup you request. Only time clash with other enrolled courses may be considered for such requests.
