JAPN2099 Japanese language II (Part 2)

Second semester 2022-23

In addition to the 4-hour grammar class that you can register online, you are required to attend a 2-hour skill class every week. Please select one from the following **five** subclasses and sign up in the Portal on the SIS. Please note that once your registration for the grammar class online is approved, you may follow the path below to sign up the skill subclass in the Portal from **9:00 a.m. January 16 to 4:00 p.m. February 6, 2023**. Places will be filled on a first-come-first-served basis.

Login in Portal → click 'My eLearning' → Tutorial Sign-up → Click the 'Register' hyperlink and access to choose tutorial groups (i.e., skill subclass).

If you wish to change the skill subclass you are already enrolled in, you may do so, by first dropping the subclass originally enrolled and then registering for another subclass during the period stated above.

★Those students who are required to take the placement test, please follow the path above to sign up for the skill class online when your registration for the course is approved.

★The skill class starts from the week of January 30, 2023. You are required to attend the first lesson even if your registration for a certain subclass is not yet successful. (For grammar classes, you are required to attend from the first week of the semester i.e. January 16, 2023).

★**At the end of the add/drop period (4 p.m. on February 6, 2023),** if you are still unable to register for the only subclass that is possible for you to attend due to a time clash with another course, you may request assistance by **emailing a screenshot of your SIS timetable** to the School office (smlc@hku.hk) with your full English name, University number and the subclass you request. Only time clashes with other enrolled courses may be considered for such requests.
